## Dr. Martin reveals additional information about this Covid Democide and puts out a call for action

Telegram

Dr. Martin reveals additional information about this Covid Democide and puts out a call for action.

SARS-COV-2 is not a vaccine. It's is a computer model of a simulated pathogen and a counter measure of gene therapy, to build an antibody by coding human cells to produce a synthetic spike protein. This computer simulated spike protein is being injected and used as a bioweapon to trick the body into being a pathological spike protein factory.

Big Pharma's Biotech companies needed a shield of immunity of liability by calling their bioweapons "vaccines".

The MSM narrative is FALSE.

This foreign supplied computer model was delivered from CHINA. It was simulated from 40 people and uploaded to servers around the world.

Our elected officials have committed acts of domestic terror to get the public to go along with this Democide.
